

TRADE DAYS VENDOR CAMPING REGULATIONS

Tannehill Ironworks Historical State Park

- **NO PETS ARE ALLOWED IN THE TRADE DAYS AREA ON FRIDAY, SATURDAY AND SUNDAY**
- Paid vendors are allowed to camp at their site if there is enough space. A regular space is approximately 15 feet wide and 20 feet deep. Many spaces do have room behind them and this area may be used if it does not interfere with another vendor's space and does not block the access to another space or an area where park/emergency vehicles may need to travel.
- Vendors may camp at their site Friday and Saturday nights.
- Due to the potential of overloading the electric system and creating safety problems with extension cords, **ONLY** the vendor with a paid electric space is allowed to plug in at that site.
- Vendors who want to camp Sunday night **MUST** register and pay at the Country Store by 7:00 p.m. and be out of the site by 9:00 a.m. Monday.
- No person shall be allowed to be boisterous, abusive, threatening, indecent or disorderly in any area of the park.
- **QUIET TIME IS 10 P.M. UNTIL 6 A.M. GENERATORS MUST BE TURNED OFF DURING THIS TIME.**
- Only well maintained muffled generators may be used and they must be turned off during quiet hours. Smoky or noisy generators are prohibited. In the event of a generator noise or smoke problem, the judgment of the park supervisor or security person is final.
- No person shall be allowed to destroy or deface any structure, historic or modern, or any wild or domesticated tree, shrub, plant or flower within the park.
- No skates, roller blades, skateboards, scooters, bicycles or vehicles are allowed in the TRADE DAYS area during market hours.
- All state laws prevail concerning the operation of motorized vehicles in the park.
- No secondary transportation will be allowed to operate in the park, i.e., mopeds, ATVs, dune buggies or golf carts. Only handicapped electric carts of the little rascal type shall be allowed.
- State law requires persons under age sixteen (16) wear a safety helmet when riding a bicycle.
- Drainage of water, soap, grease or any other waste product onto the ground or into anything other than an approved holding tank or receptacle and dump station is a violation of State law.
- No person shall operate or use any audio devices including radio, television, musical instruments or any other noise making device including generators, whether fixed or portable, in such a manner or at any time, as to disturb other persons within the park.
- No person other than duly authorized law enforcement officers or park administration shall be permitted to carry or possess any firearms within the park. No person shall be permitted to possess or discharge any fireworks or pyrotechnic devices with the park.
- No spotlighting of park animals for any purpose. All state parks are wildlife sanctuaries.
- Use of metal detectors at state historical sites such as Tannehill Ironworks Historical State Park is strictly prohibited.
- **NO ALCOHOLIC BEVERAGES ALLOWED.**
